

FRIENDS OF HOYT PARK & POOL 2024 TOSA POOL LIFEGUARD JOB DESCRIPTION

Seasonal part-time employment from May 24, 2024 – September 2, 2024. Hours include evenings, weekends, and holidays. Hourly wage rate to reflect areas of responsibility, knowledge, skills, training, and experience. 2024 wage rates start at \$14.00 per hour.

Lifeguard safety work includes constant surveillance of patrons in the TOSA Pool facility, preventing and responding to emergencies, and providing emergency care and treatment until arrival of EMS. TOSA Pool Lifeguards must enforce pool rules and FOHPP policies, present a professional appearance and attitude at all times, and maintain a high standard of customer service.

This position reports to the Aquatics Safety Manager and Guards in Charge.

Specific Responsibilities:

1. Oversee all aquatic activities at TOSA Pool.
2. Enforce the TOSA Pool rules as established by FOHPP in an appropriate, fair and equitable manner; further explain the rationale for the rule(s) when needed.
3. Monitor designated areas to recognize signs of danger.
4. Maintain order in swimming areas.
5. Warn swimmers of unsafe situations.
6. Respond to emergencies and rescue swimmers in danger in a calm and effective manner.
7. Perform first-aid procedures.
8. Maintain self-care measures including hydration, skin and eye protection.
9. Perform various maintenance duties, as directed, to maintain a clean and safe facility.
10. Prepare and maintain appropriate activity reports.
11. Perform miscellaneous job-related duties as assigned by Aquatics Safety Manager or Facilities Manager.
12. Prepare routine administrative paperwork.

Required Training: All TOSA Pool lifeguards are required to complete Red Cross In-Water Training and testing (or prior Red Cross Certification) prior to acceptance of position. FOHPP covers cost of all FOHPP-provided training and materials.

In-Water Training

During the in-water training sessions, you will learn all rescues and releases required to pass the Physical Performance test. Advance registration is required. After successfully

completing all the skills presented during the In-Water Training Program, you will be well prepared for the Physical Performance test.

Work Schedule

The TOSA Pool operates from Memorial Day weekend through Labor Day. If hired, you will be expected to work through Labor Day. The TOSA Pool Aquatics Safety Manager schedules assignments to cover every day of the week. The normal schedule includes 6-8 hour shifts covering 5-6 days a week. Additional 2 hour required in-water in-service trainings are held twice a week. You will be expected to work more or fewer hours as weather dictates.

Uniforms

FOHPP furnishes the following: Male and female uniform suits or trunks, male tank, long sleeve t-shirt, cap. Hat, whistle, and lanyards will also be furnished. Employee is responsible for the cleanliness and care of uniform and equipment during the season and will be charged for replacement uniforms and equipment as needed. Personal items including polarized sunglasses are the responsibility of the employee.

Required Skills & Experience

1. Applicants must be 16 years of age by the date of employment.
2. Up to 1 year of prior employment experience in a pool, hospitality or water safety environment is preferred.
3. CPR certification by a recognized source of training, preferred.
4. Successful completion of In-Water Training and Physical Performance Test.
5. Ability to establish and maintain effective communications with members and guests.
6. Ability to work cooperatively in a team environment.
7. Ability to react calmly and effectively in emergency situations.

Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.

1. The employee is regularly required to talk and hear in loud environments.
2. The employee frequently is required to stand; walk; use hands to finger, handle or feel; and reach with hands and arms.
3. This position requires the ability to assist in team lifts of weight exceeding 200 pounds.
